**FIRST INTERIM APPLICATION OF ROBINSON BROG
LEINWAND GREENE GENOVESE & GLUCK P.C. AS ATTORNEYS FOR
THE DEBTOR, FOR ALLOWANCE OF COMPENSATION FOR PROFESSIONAL
SERVICES RENDERED AND REIMBURSEMENT OF ACTUAL AND NECESSARY
EXPENSES FOR THE PERIOD FEBRUARY 17, 2017 THROUGH AUGUST 31, 2020**

TO THE HONORABLE ROBERT D. DRAIN,
UNITED STATES BANKRUPTCY JUDGE:

Robinson Brog Leinwand Greene Genovese & Gluck P.C (“RBLGGG”), attorneys for Broadway Equity Holdings LLC (the “Debtor” or “BEH”), for its first interim application (the “Application”), pursuant to section 330(a) of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), for allowance of compensation for professional services performed by RBLGGG for the period commencing February 17, 2017 through and including August 31, 2020 (the “Compensation Period”), and for reimbursement of its actual and necessary expenses incurred during the Compensation Period, respectfully represents:

**SUMMARY OF PROFESSIONAL COMPENSATION AND
REIMBURSEMENT OF EXPENSES REQUESTED**

1. This Application has been prepared in accordance with the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 (the “Guidelines”), the Order authorizing the retention of RBLGGG as counsel to the Debtor in this case dated March 27, 2017, effective *nunc pro tunc* as of the date of the Debtor’s filing (ECF Doc. No. 11). Pursuant to the Guidelines, a certification regarding compliance with the same is annexed hereto as **Exhibit A**. Pursuant to the Guidelines, this Application has been sent to the Debtor for review and the Debtor has reviewed this Application and approved the amounts requested by RBLGGG for services performed and expenses incurred during the Compensation Period.

2. RBLGGG seeks an award of interim compensation for professional services rendered to the Debtor during the Compensation Period in the aggregate amount of \$2,281,471.51 which consists of \$2,261,031.50 in fees incurred during the Compensation Period, and \$20,440.01 for the actual and necessary expenses RBLGGG incurred during the Compensation Period. During the Compensation Period, RBLGGG attorneys and paraprofessionals expended a total of 4,334.40 hours for which compensation is sought.

3. There is no agreement or understanding between RBLGGG and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in this case.

4. The fees charged by RBLGGG in this case are billed in accordance with its existing billing rates and procedures in effect during the Compensation Period. The rates

RBLGGG charges for the services rendered by its professionals and paraprofessionals in these chapter 11 cases are the same rates RBLGGG charges for professional and paraprofessional services rendered in comparable nonbankruptcy related matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable nonbankruptcy cases in a competitive legal market.

5. Pursuant to the Guidelines, annexed hereto as **Exhibit B** is a schedule setting forth all RBLGGG professionals and paraprofessionals who have performed services in this chapter 11 case during the Compensation Period, the capacities in which each such individual is employed by RBLGGG, the hourly billing rate charged by RBLGGG for services performed by such individual, the year in which each professional was first licensed to practice law and the aggregate number of hours expended in this matter and fees billed therefor.

6. Annexed hereto as **Exhibit C** is a schedule specifying the categories of expenses for which RBLGGG is seeking reimbursement and the total amount for each such expense category.

7. Pursuant to Section II.D of the UST Guidelines, annexed hereto as **Exhibit D** is a summary of RBLGGG's time records during the Compensation Period broken down by project categories as hereinafter described.

8. RBLGGG maintains computerized records of the time spent by all RBLGGG attorneys and paraprofessionals in connection with the prosecution of the Debtor's chapter 11 case. Copies of these computerized records have been furnished to the Court and the Office of the United States Trustee for the Southern District of New York (the "**U.S. Trustee**") in the format specified by the UST Guidelines and are attached hereto as **Exhibit E**. As monthly

statements were not filed for the entire Compensation Period, the attached time records are a complete set of RBLGG&G's time records for the entire Compensation Period (redacted as necessary).

9. Prior to the commencement of this chapter 11 case and as set forth in the Declaration of A. Mitchell Greene in connection with the Debtors' Application for Authorization to Employ and Retain RBLGGG as Attorneys for the Debtor, RBLGGG disclosed that RBLGGG received \$36,5000 for its retainer, of which \$30,615.00 was applied prepetition, leaving a retainer for the chapter 11 case in the amount of \$5,885.00.

10. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period, but were not processed prior to the preparation of this Application, RBLGG&G reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

BACKGROUND

11. On February 17, 2017 (the "Petition Date"), the Debtor commenced with this Court its voluntary chapter 11 case under the Bankruptcy Code. The Debtor is authorized to operate its businesses as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

12. On March 16, 2017, the Debtor filed an Application to Employ RBLGGG as Attorneys for the Debtor (ECF doc. No. 7). No objections were filed to RBLGGG's retention and pursuant to an order of this Court dated March 27, 2017, the Debtor was authorized to retain RBLGGG as its attorneys to render legal services in the prosecution of its chapter 11 case (ECF Doc. No. 11).

13. No trustee or examiner or creditors committee has been appointed in the Debtor's chapter 11 case.

SUMMARY OF SERVICES

14. The issues surrounding the Debtor's chapter 11 filing started prior to the Petition Date. The Debtor had filed a complaint against Blue Beverage Group Inc. ("BB") and 152 Broadway Haverstraw NY LLC ("152 Broadway", collectively with BB, the "Defendants") on June 9, 2015 in the Supreme Court of New York, Rockland County (the "Supreme Court"), Index No. 032478/2015 (the "State Court Action"). The Complaint sought to foreclose on a mortgage (the "Mortgage") for property located at 152 Broadway, Haverstraw, New York (the "Property") owned by one of Defendants, 152 Broadway. The Mortgage served as security for a note (the "Note") in the original principal amount of \$5,300,000, which Note was executed by both BB and 152 Broadway as borrowers (the "Borrowers") in favor of the Debtor.

15. The State Court Action also sought a declaration to vacate a purported correction mortgage (the "Correction Mortgage"), which was filed on February 23, 2015, by 152 Broadway, without the consent of the Debtor. The Correction Mortgage unilaterally revised the terms of the Mortgage to the extreme detriment of the Debtor to defraud the Debtor out of its recovery on the Note and Mortgage. The Complaint also alleged that a number of judgment creditors, in an attempt to take advantage of the subordination provision contained in the Correction Mortgage and in concert with the Borrowers, filed confessions of judgment (the "Sham Judgments") against the Borrowers after the Mortgage was recorded and before the Correction Mortgage was filed, to obtain priority over the enforcement of the Mortgage and the Note.

16. After the filing of the Complaint, Defendants stalled the State Court Action. After 619 days, the Debtor's receiver motion, filed immediately after the commencement of BEH's foreclosure action, had still not been decided and Defendants never made a motion to compel arbitration to the Supreme Court. No discovery had been authorized or taken, either. As a result, the Debtor was unable to pay its own debts, including a \$2.5 million obligation to one of its creditors who held a pledge of its membership interests, and thus was forced to file for chapter 11 protection before this Court so that the Debtor's rights could be promptly adjudicated.

17. On February 23, 2017, the Debtor removed the State Court Action to the United States District Court for the Southern District of New York, which automatically referred it tot the Bankruptcy Court. The removed action was captioned *Broadway Equity Holdings LLC v. 152 Broadway Haverstraw NY LLC et al.*, Adv. Pro. 17-8215-rdd (the "Adversary Proceeding") (Adv. Pro. Doc. No. 1). The Debtor's primary purpose in removing the State Court Action was to break the two-year stalemate in the state court and to foreclose on its Note and Mortgage as expeditiously as possible. Nevertheless, three years of highly contested litigation followed, culminating in a three-day bench trial and a decision from the Court that vindicated the Debtor's claims in their entirety.

18. On April 28, 2017, 152 Broadway, through its then attorney Leo Fox, moved for a stay of the adversary proceeding pending arbitration, to remand the Adversary Proceeding back to state court, or to abstain (the "Remand Motion") (Adv. Pro. Doc. No. 6). The Debtor filed its opposition to the Remand Motion, which included submitting supporting declarations and a translated copy of the Hebrew Bottling Agreement that 152 Broadway claimed obligated the Debtor to arbitrate (Adv. Pro. Doc. Nos. 12-16). During the pendency of the

Remand Motion, on May 23, 2017, the Debtor moved for leave to amend the complaint and attached a proposed amended complaint, which included some cleanup of the existing state law claims (RBLGGG was not involved in the State Court Action), and additional causes of actions for (i) fraud against Defendants, including those who held the Sham Judgments or have had them recorded on their behalf, (ii) aiding and abetting fraud against those judgment creditors who recorded the Sham Judgments against the Property, (iii) conversion with respect to the fact that Defendants never intended to repay the original Note, and (iv) unjust enrichment against the Borrowers for retaining the Loan proceeds. After extensive oral argument, the Court ruled from the bench, denying the Remand Motion, in part because the Debtor was not party to the Bottling Agreement, and granting the Debtor's motion to amend the complaint (Adv. Pro. Doc. Nos. 21, 24).

19. Defendants obtained new counsel, Jeffrey Fleischmann, who appeared on July 14, 2017, and immediately filed a motion to dismiss certain claims asserted in the Amended Complaint and to add parties (Adv. Pro. Doc. No. 29). By stipulation, on October 18, 2017, the Debtor agreed to dismiss the Third, Fourth, Fifth, and Sixth causes of action, without prejudice, resolving the motions to dismiss and to add certain parties (Adv. Pro. Doc. No. 35). Thereafter, Defendants answered the Amended Complaint and asserted certain counterclaims against, *inter alia*, non-parties Judy Minster, Joel Wertzberger, and Aron Wolcowitz, relating to the Bottling Agreement, the alleged forgery of the Mortgage and Note, and notarial misconduct (Adv. Pro. Doc. No. 36).

20. The first counterclaim, however, attempted to assert claims against non-debtors Wertzberger and Wolcowitz that related to their purported obligations under the Bottling

Agreement, to which the Debtor was not a party and which would have no impact on the administration of the Debtor's estate. As a result, on November 30, 2017, the Debtor and counterclaim defendants moved to dismiss the first counterclaim filed by defendants (Adv. Pro. Doc. Nos. 48-50). On March 3, 2018, after the motion was fully briefed (Adv. Pro. Doc. Nos. 60, 64 & 65) and after oral argument, this Court granted the motion (Adv. Pro. Doc. Nos. 75-76). Through this first phase of the Adversary Proceeding, motion practice, letter correspondence between counsel, and related conferences with the Court was extensive, requiring significant attorney hours for review, research, and writing.

21. Thereafter, the case moved into the next, extended phase – discovery – which was no less arduous. RBLGGG drafted and served initial disclosures, at least two sets of document demands, interrogatories, and two sets of requests for admission. In turn, Defendants served document demands and interrogatories, to which the Debtor responded and objected. The Debtor also retained forensic handwriting expert, Donna O. Eisenberg, to begin her analysis of the signatures of defendants Joseph Goldberger and Joseph Menczer, since they were asserting a forgery defense. RBLGGG spent significant time collecting, processing, reviewing, and producing responsive documents on its behalf. Defendants also issued subpoenas *duces tecum* to third-party members of the Debtor, including Judy Minster and Joseph Riegler, which involved review time and coordination with their counsel, Paul Rubin, to object and respond where appropriate. During this phase of litigation many significant discovery disputes arose concerning electronically-stored information and involved letter correspondence and meet and confers between counsel for the parties.

22. Often, counsel could not independently resolve their disputes and were

forced to write to the Court, effectively in the form of letter motions seeking its intervention, guidance, and determinations. For example, at least one dispute arose concerning Defendants' failure to produce electronically-stored information in a forensically-acceptable manner, where metadata was not included and documents were not appropriately organized into separate documents by "parent" and "child" relation. RBLGGG was forced to subpoena Defendants' e-discovery agent – Joel Frelich, – which led to defense counsel moving to quash the Debtor's subpoena, purportedly on attorney-client privilege and/or work-product grounds. In a separate dispute, when the Debtor learned that the original of the Note was missing and provided a "lost note" affidavit to defense counsel, defense counsel immediately accused the Debtor of spoliation, seeking sanctions against it. In another dispute that stretched on for a long period of time, defense counsel refused to produce a sufficient number of handwriting exemplars for Ms. Eisenberg to properly and sufficiently analyze Mssrs. Goldberger's and Menczer's signatures in comparison to the signatures affixed to the Mortgage and the Note. While RBLGGG handled these disputes, and others like them, successfully, each one resulted in significant attorney time, in research, writing, telephone meetings, and, in some cases, telephone conferences with the Court.

23. After the exchange of document discovery, RBLGGG spent significant time reviewing the document productions of both parties in preparation for depositions and, later, trial. Counsel analyzed the documents, used them to create deposition outlines, and organized them as exhibits for the depositions and trial. Some of the review included translating and transcribing audio recordings of key moments leading to the signing of the Note and Mortgage, which assisted the Debtor in rebutting Defendants' claims that these documents were forgeries. RBLGGG took the depositions of Joseph Goldberger, Joseph Menczer, Samuel Goldberger (who asserted his

Fifth Amendment right against self-incrimination for nearly every question beyond his name and address), and Barry Feerst. On the other side, RBLGGG prepared for and defended the deposition of Judy Minster, as well as the depositions of counterclaim defendants Joel Wertzberger and Aron Wolcowitz, and non-parties Mark Kranz and Joseph Reigler, among others. This work involved review of key documents in the case, preparation of outlines, numerous meetings among the Debtor's litigation team, and client meetings. After several depositions, the parties paused the litigation while they attempted to reach a settlement and negotiate an appropriate agreement. This occurred over many months, beginning in the summer of 2018, and stretching into the late fall / early winter of 2018 with the last party deposition, that of Mr. Menczer, taking place on December 13, 2018, although expert depositions took place later that month.

24. When settlement negotiations broke down, RBLGGG worked to complete all depositions (taking Toby Weinberger's Ryvkie Goldberger's deposition, and further defending Joel Wertzberger) and begin preparing for next phase -- trial. Trial preparation involved reviewing and analyzing documents, audio recordings, Ms. Eisenberg's expert report, and deposition testimony to marshal key portions into its *prima facie* case supporting foreclosure of the Mortgage and the Note, as well as establishing Defendants' fraudulent conduct in filing the Sham Judgments and the Correction Mortgage. RBLGGG and counsel to the counterclaim defendants, Mr. Rubin, prepared direct testimony declarations for Judy Minster, Joel Wertzberger, Aron Wolcowitz, and Mark Kranz. Further, they attended numerous long trial strategy meetings and prepared outlines for cross examination of Defendants' witnesses, including Msrs. Goldberger and Menczer, their wives, and Barry Feerst, all of whom played a role either at the closing on the Note and the Mortgage or the subsequent fraudulent activity in filing the Sham

Judgments and the Correction Mortgage. The Debtor also continued motion practice, this time opposing Defendants' motion *in limine* to exclude the testimony of Ms. Eisenberg. Finally, RBLGGG met and conferred with opposing counsel regarding a potential set of joint exhibits and later submitted a list of joint exhibits and challenged exhibits to the Court.

25. In mid-April 2019, two weeks before the May 1st start of the trial, the Borrowers both filed for chapter 11 bankruptcy protection, resulting in an automatic stay of all proceedings against them. Nevertheless, at the outset of the trial's first day, bankruptcy counsel for the Borrowers, Abraham Backenroth, agreed on the record to stay relief to allow the trial to proceed. The Court held a three-day bench trial, where it took the testimony and evaluated the credibility of the witnesses for both sides, concluding on the record that while he found the Debtor's witnesses credible, he believed Defendants had perjured themselves. After the trial, the Court ordered post-trial briefing on a few remaining legal issues, which required the Debtor to research and submit a brief, as well as respond to Defendants' brief (Adv. Pro. Doc. Nos. 133-37).

26. On May 12, 2020, the Court issued a lengthy decision and order, finding the Debtor was entitled to a judgment of foreclosure on its Mortgage and a judgment against the Borrowers, Joseph Goldberger, and the Sham Judgment Creditors for fraudulently entering into and causing the filing of the Sham Judgments and preparing and causing the filing of the Correction Mortgage (Adv. Pro. Doc. No. 138). The Court dismissed the counterclaims in their entirety with prejudice, held that an evidentiary damages proceeding would be held on notice to the parties in connection with the fraud, and directed the Debtor to submit a proposed judgment to the Court consistent with the decision. *Id.* at 28-29. The Debtor immediately submitted a proposed judgment and later began working to enforce that judgment, while Defendants continued

to litigate, filing several notices of appeal (Adv. Pro. Doc. Nos. 139-40, 150).

27. As a result, the Debtor incurred significant litigation costs after trial concluded. The Debtor was forced to defend against an (untimely) appeal (moving to dismiss it because it was prematurely filed before the Court held its damages hearing and because the Borrowers did not have standing to appeal when a trustee had been appointed in their now-converted chapter 7 bankruptcy cases), while also seeking to finalize a judgment and protect itself against any effort by Defendants to move their assets beyond the Debtor's reach. Defendants repeatedly objected to the proposed judgment, but after the Court's intervention, judgment was entered (Adv. Pro. Doc. No. 144), allowing the Debtor to begin attempting to enforce it.

28. Meanwhile, the Debtor successfully moved, under the New York Civil Practice Law and Rules, for post-judgment restraints against the non-debtor defendants (Goldberger, Menczer, and their wives) to restrain them from moving assets and to assign their control to a receiver (Adv. Pro. Doc. Nos. 155-56, 168-69). Separately around the same time, in the Borrowers' bankruptcy cases, the Debtor moved to lift the automatic stay in part so that it could begin publication of the foreclosure auction. And when Defendants obtained new counsel to represent them in their bankruptcy cases and in the Adversary Proceeding, the Debtor successfully defeated their attempts to lift those restraints (Adv. Pro. Doc. No. 196). All of this ultimately led to a settlement agreement, involving the chapter 7 trustee and Defendants, which has been approved by this Court (Adv. Pro. Doc. No. 201). This final phase of the litigation was frenetic, involving the Debtor litigating in the Adversary Proceeding, at the District Court (for the appeal), and in the Borrowers' bankruptcy cases.

29. Throughout these cases, RBLGGG also assisted the Debtor with the

administrative aspects of its chapter 11 case, including preparing the Debtor and attending the initial debtor interview with the Office of the United States Trustee, preparing the Debtor and attending the 341 meeting of creditors, and communicating with the Debtor's representatives regarding their obligations as debtor-in-possession.

30. The foregoing narrative highlights the significant time and effort RBLGGG spent litigating on the Debtor's behalf during the Compensation Period and the impressive results which were obtained on behalf of its estate. A detailed breakdown is set forth in the attached detailed billing records for the Compensation Period.

31. The following is a summary of the additional professional services rendered by RBLGGG during the Compensation Period. Parties in interest are referred to counsel's detailed billing records for the precise entries relating to the work performed during the Compensation Period. 32. The foregoing professional services performed by RBLGGG were

necessary and appropriate to the administration of the Debtor's chapter 11 case. The professional services performed by RBLGGG were in the best interests of the Debtor and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, or tasks involved. The professional services were performed with expedition and in an efficient manner.

33. The professional services performed by RBLGGG on behalf of the Debtor during the Compensation Period required an aggregate expenditure of 4,334.4 recorded hours by RBLGGG's members, counsel, associates, and paraprofessionals.

34. During the Compensation Period, RBLGGG billed the Debtor for time expended by attorney's based on hourly rates ranging from \$400 to \$750 per hour. Allowance of compensation in the amount requested would result in a blended hourly billing rate of approximately \$511.59 for attorneys. As noted, annexed hereto is a schedule listing each RBLGGG professional and paraprofessional who performed services in these cases during the Compensation Period, the hourly rate charged by RBLGGG for services performed by each such individual, and the aggregate number of hours and charges by each such individual.

ACTUAL AND NECESSARY DISBURSEMENTS OF RBLGGG

35. As set forth in **Exhibit C** hereto, RBLGGG has disbursed \$18,202.01 as expenses incurred in providing professional services during the Compensation Period. RBLGGG's disbursement policies pass through all out of pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, with respect to duplication charges, RBLGGG will charge \$0.10 per page because the actual cost is difficult to determine. Similarly, as it relates to computerized research, RBLGGG does not make a profit on

that service. Other reimbursable expenses (whether the service is performed by RBLGGG in-house or through a third party vendor) include, but are not limited to, facsimiles, toll calls, overtime, overtime meals, deliveries, court costs, cost of food at meetings, transcript fees, travel, and clerk fees and are billed at RBLGGG's cost.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

36. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." *Id.*

§ 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

Id. at § 330(a)(3).

37. In the instant case, RBLGGG respectfully submits that the services for which it seeks compensation and the expenditures for which it seeks reimbursement in this Application were necessary for and beneficial to the Debtor's orderly administration of its estate and its rehabilitation and reorganization efforts. RBLGGG worked assiduously to anticipate or respond to the Debtor's needs and assist with the Debtor's chapter 11 process, including litigating the Adversary Proceeding to judgment and then ultimately a settlement that will (i) result in the foreclosure of the Debtor's mortgage judgment that was entered by this Court for approximately \$9,900,000, likely resulting in the Debtor acquiring title to the Property at the foreclosure sale, (ii) resulted in an assignment of the second position mortgage held by the Small Business Administration to the Debtor's estate, transferring another \$2.4 million dollars in value to the Debtor (iii) the recovery of \$3.2 million in cash from the non-debtor defendants will be brought into the Debtor's estate and (iv) puts an end to a litigation that was commenced over five years ago through this Court's approval of a settlement agreement that includes complete releases of all claims against all parties. Such services and expenditures were necessary to and in the best interests of the Debtor's estate and its creditors. Accordingly, RBLGGG submits the compensation requested herein is reasonable considering the nature, extent, and value of such services to the Debtor, its estate, and all parties in interest.

38. The foregoing professional services performed by RBLGGG were necessary and appropriate to the administration of the Debtor's chapter 11 case. The professional services performed by RBLGGG were in the best interests of the Debtor and other parties in interest. Compensation for the foregoing services as requested is commensurate with the

complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed with expedience and in an efficient manner.

39. Whenever possible, RBLGGG sought to minimize the costs of its services to the Debtor by utilizing junior attorneys to handle more routine aspects of case administration and thereby minimize the costs of certain aspects of the cases. RBLGGG used a small team of attorneys to minimize the need to re-educate attorneys regarding the circumstances of the Debtor's case.

40. In sum, the services rendered by RBLGGG were necessary and beneficial to the Debtor's estate and were consistently performed in a timely manner commensurate with the nature of the issues involved, and approval of the requested interim compensation for professional services and reimbursement of expenses sought herein is warranted.

CONCLUSION

WHEREFORE, RBLGGG respectfully requests (i) an interim allowance of compensation for professional services rendered during the Compensation Period in the amount of \$2,281,471.51, consisting of \$2,261,031.50 in fees incurred during the Compensation Period, and reimbursement of \$20,440.01 in actual and necessary expenses RBLGGG incurred during the Compensation Period; (ii) that the allowance of such compensation be without prejudice to RBLGGG's right to seek additional compensation for services performed and expenses incurred during the Compensation Period for compensation and expenses which were incurred during the Compensation Period but were unbilled as of the date of this Application; and (iii) for such other and further relief as is appropriate under the circumstances.
